

At Precision Vascular & Interventional, we utilize cutting-edge, minimally invasive procedures to improve the health and lives of our patients. We offer an array of diverse treatment options to suit our patients' unique needs, and we pride ourselves on delivering exceptional service to each of our patients with various conditions to positively impact their health and well-being. From the initial evaluation throughout treatment and the follow-up process, our physicians collaborate with a patient's referring physician to ensure the patient's needs are met and a positive outcome is reached.

Treatment Options:

- Peripheral Arterial Diagnosis & Treatment
- Varicose Vein Treatment
- Acute or Chronic DVT Treatment & Management
- Vascular Access (Mediports and Long Term Catheters)
- Urological Interventions
- Oncological Interventions (Embolization & Ablation)
- Varicocele Embolization
- Uterine Fibroid Embolization (UFE)
- Pelvic Congestion
- Diagnostic Biopsies

Meet Our Physicians

DANNY CHAN, M.D., M.B.A.

JARYD STEIN, M.D.

SUZANNE SLONIM, M.D.

ASEEM BHANDARI, M.D.

Dr. Chan is board certified in diagnostic radiology, and in vascular and interventional radiology. He is a registered physician vascular interpreter (RPVI). Dr. Chan was an assistant professor, Dept. of Radiology, Division of Interventional Radiology, at the UT SW Medical Center and was medical director of the Non-Invasive Vascular Laboratory at St. Paul University Hospital, Dallas.

Dr. Stein is board certified in diagnostic radiology with an additional fellowship in interventional radiology. He has been on faculty at the University of Texas Southwestern Medical Center, Dept. of Radiology, and Division of Interventional Radiology where he taught residents and fellows.

Dr. Slonim is board certified in diagnostic radiology and vascular and interventional radiology. She has published many scientific articles in peer-reviewed journals, presented research finding at national meetings, and was an assistant professor in the Department of Interventional Radiology at Stanford University.

Dr. Bhandari is board certified in vascular and interventional radiology. He finished Medical School at Temple University in Philadelphia and residency at Hofstra University Long Island Jewish Hospital in NY. His fellowship was at the Miami Florida Cardiac & Vascular Institute. Prior to Precision he practiced at Methodist Dallas and Memorial Health.
